

Always remember the following:

- 1) Make God number 1 in your life!
- 2) Be kinder than necessary, because everyone you meet is fighting some kind of battle.
- 3) A sharp tongue can cut your own throat.
- 4) If you want your dreams to come true, you mustn't oversleep. Carpe diem! – seize the day!
- 5) Of all the things you wear, your expression is the most important.
- 6) The best vitamin for making friends: B1.
- 7) The degree of happiness in your life depends on the quality of your thoughts.
- 8) The heaviest thing you can carry is a grudge. Forgiveness is vital.
- 9) One thing you can give, and still keep, is your word.
- 10) You lie the most when you lie to yourself.
- 11) If you lack the courage to start, you have already finished.
- 12) One thing you can't recycle is wasted time.
- 13) Ideas won't work unless you do.
- 14) Your mind is like a parachute; it functions only when fully open.
- 15) The 10 Commandments are not ten suggestions, or a multiple choice. However, we now live under the New Covenant (dispensation) of grace.
- 16) The pursuit of happiness is the chase of a lifetime! It is never too late to become what you might have been. The journey is more important than the destination.
- 17) Life is too short to wake up with regrets. So love the people who treat you right, and pray for the one's who don't. Don't let people steal your peace, joy and hope. Avoid toxic people.
- 18) Believe everything happens for a reason. There is no such thing as coincidence.
- 19) If you get a second chance, grab it with both hands.
- 20) If something has the potential to change your life, let it.
- 21) Nobody said this life would be easy, but it will ultimately be worth the effort. Eternity awaits!
- 22) Friends are like balloons; once you let them go, you might not get them back. Sometimes we get so busy with our own lives and problems, that we may not even notice that we've let them fly away. Sometimes we are so caught up in who's right and who's wrong, ie we become 'right fighters', that we forget what's right and wrong. Sometimes we just don't realize what real friendship means, until it is too late. Surround yourself with true friends, rather than 'fair weather' friends.
