We have many instances of demon-possessed people in the Bible. Evil spirits inhabited them and took control of their bodies, so they began doing all manner of things that were not characteristic of them.

Demonic spirits may harass Christians, but they *cannot* possess them. The Bible says: “Do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God…?” (1 Corinthians 6:19) 1 John 4:4 says: “You are of God, little children, and have overcome them, because He (Holy Spirit) who is in you is greater than he (Satan) who is in the world.”

While Christians cannot be possessed by a demon, we can be influenced. So stand strong in your resistance, and renew your mind with God’s Word every day, put on the full armour (Ephesians 6:10-18) God provides, and rely on His victory over evil.

Mark 1:34 “Then He healed many who were sick with various diseases, and cast out many demons.”
