God has some things stored up for you, some things He has planned that are going to boggle your mind. He has doors He is going to open, people you are going to meet, gifts you are going to discover, and resources that you cannot imagine. God has promotion and favour preplanned that will catapult you ahead - things you didn't see coming.

You are not limited by your background, your job, your family, or your skills. His ways are not our ways. His thoughts are far higher than our thoughts. We think natural, but He is supernatural. The Scripture says that before you were born, He planned out your days for good. That means He is not playing catch up when you feel you are in trouble, or you have made mistakes, or you have a challenge that feels like a giant. God already knows everything you will ever face. He knows every limitation, every weakness, and every disadvantage. He has taken all of that into account, and has already planned the solutions. He has already lined up the right people. He has already put the talent, favour, and anointing in you, and it is all because He loves you so very much.

1 Corinthians 2:9 "That is what is meant by the Scriptures which say that no mere man has ever seen, heard, or even imagined what wonderful things God has ready for those who love the Lord."
