

Do you want more faith? Well, the good news is that your faith in God can grow and increase. Notice that Scripture doesn't say, "Faith comes by having heard the Word of God once." It says "hearing" - in the present tense. God's Word can transform us in an instant, but most of the time, we need to hear God's principles over and over again before they become active and effective in our lives. The truth of God's Word chisels away at the doubt and unbelief that's been built up over the years. Just as a seed needs water daily to grow, your soul and spirit need the Word of God daily. Get into the habit of meditating on God's Word and dwelling on thoughts of faith, victory and hope. The more you fill your soul and spirit with God's Word, the stronger you will be, so that you can stand against the powers of darkness.

Romans 10:17 "So then faith comes by hearing, and hearing by the word of God."
