

Some believers live worried and afraid because they see Satan as a powerful force that can control them and keep them defeated. They give him power that he doesn't have. Our Heavenly Father is on the throne. He always has been, and always will be. He has you in the palms of His mighty hands. Nothing and no-one can harm you. God is the Creator, whilst Satan is a created being - a fallen archangel.

When Jesus was resurrected out of the grave, He took the keys of death and Hell away from Satan. Every force of darkness was broken when Christ rose from the dead. He said, "All power in Heaven and Earth has been given to Me. Now I give it to you." That means you are more powerful than any force that is trying to stop you. Don't be afraid of the enemy. He has already been defeated - he is afraid of you. You are already on victory ground, and he knows it. Hallelujah!

1 John 4:4 "...You, dear children, are from God and have overcome them, because the One who is in you is greater than the one who is in the world..."
