

The Israelites were surrounded by a huge army and greatly outnumbered. They were so worried and stressed out, that just before they went into battle, they decided to pray. Notice God's answer. If you will be still and remain at rest, God will turn it into victory. He is with you. He will vindicate you.

When you feel overwhelmed and you are tempted to take everything into your own hands, you have to make yourself be still. The battle is not yours. The battle is the Lord's. As long as you are fighting it, God is going to step back and let you do it on your own. But when you put it back in His hands, God will fight your battles. Now do your part and rest. Rest and flow in the finished work of Christ. Trust God's perfect timing, and His perfect, sovereign will. He knows what He is doing. You may not understand why something is not happening or taking so long, but often God will delay an answer so He can show His power in a greater way.

2 Chronicles 20:17 "...But you will not even need to fight. Take your positions; then stand still and watch the LORD's victory. He is with you, O people of Judah and Jerusalem. Do not be afraid or discouraged. Go out against them tomorrow, for the LORD is with you!..."
