

We would all like to experience more health, abundance and success in our lives. God, being God, has all of these things, so to be full of God is to be full of health, abundance and success. But how does one become full of God?

To be filled with all the fullness of God is not about what you do. It is not even about your love for Christ. It is actually about *knowing the love of Christ!* When God made you, He designed you to run at optimal level when you are filled with His love, like a car that runs at its best when it is filled with the right kind of petrol. When you truly realize how much God loves you, and you feed on His love for you, you will be supernaturally filled with the fullness of God. To be full of God is to be full of everything God is to you and has for you. To be full of God is to come to a place of life, health, peace, abundance - total wellness.

Also, when you are conscious of how much God loves you and you become filled with the fullness of God, what follows is the next verse after today's - God doing exceedingly abundantly above all that you can ask or think, according to the power that works in you. (Ephesians 3:20) You will experience the tremendous blessings of God exploding in your life! So, as God's beloved, continue to be nourished by His love for you, and experience more health, abundance and success in your life!

Ephesians 3:19 "To know the love of Christ which passes knowledge; that you may be filled with all the fullness of God."
