

Ever been too busy to get something done, only to then find out it's too late when you finally get down to it? As human beings, we live our lives constrained by time. But Jesus, the one who created time, is not time-bound. He always has time for each one of us!

Even during His Earthly ministry, in His limited form as Man, He always had time to minister to people. Consider a typical day in His ministry: When a severely demon-possessed man cried out from the tombs of a distant region, He had time to sail all the way from Galilee to the country of the Gadarenes to save that lonely, tormented man. On the way there, He had time to respond to the cries of His disciples when a fierce storm arose. He awoke from a much-deserved sleep and calmed the storm for them. After He saved the demonized man and returned to Galilee, another man, Jairus, came to him for help. Jairus' 12-year-old daughter was dying, and he begged Jesus to come to his house to heal her. Jesus agreed - He had time. But on His way there, a woman with a 12-year bleeding condition secretly touched the hem of His garment and received her healing. Though Jairus' daughter was in the throes of death, Jesus had time to find out who had touched Him, just so that He could minister to that person. While Jesus was ministering to the woman, He received a death report concerning Jairus' daughter. Now, in the natural, Jesus was too late. Yet, He did not consider it a waste of time to encourage Jairus, "Do not be afraid; only believe, and she will be made well." (Luke 8:49-50) He took time to go to Jairus' house, and He raised the young girl from the dead.

Always remember that this same loving Jesus always has time for you, His beloved. He cares about the little and big things that you are dealing with in your day-to-day life, and will always be there for you. That is why no prayer is insignificant to God. Even when He is 'busy', He has time to stop and minister to you. Even when it seems hopeless or too late, He will still see to it that you receive your miracle!
