

You have things you have prayed about and are believing for. You've been waiting for a long time, but you don't see anything happening. It seems like God hasn't heard your prayers, but what you can't see is that God is at work behind the scenes. Don't believe the lies of the enemy that say your praying, believing, and standing in faith is a waste of time. God not only heard your prayers, but He put the solutions in motion.

In today's Scripture, the psalmist says it happens the very day you call for help. In the unseen realm, God begins to change things in your favour. Just because you don't see anything happening doesn't mean the answer is not on the way. The believers who see breakthroughs and promises fulfilled are those who keep praying, keep believing, and keep standing in faith.

Psalm 56:9 "...The very day I call for help, the tide of battle turns. My enemies flee! This one thing I know: God is for me!..."
