

What does it mean to look unto Jesus? Think of it like this: If you are drowning and somebody walks past you, you do not look *at* him. You look *unto* him. When you look unto him, you are turning to him and expecting him to rescue you.

In the same manner, you look *unto* Jesus expecting Him to save, heal and protect you because you know of His mighty power and sacrificial love for you. God's Word says that we are to keep "looking unto Jesus, the author and finisher of our faith." That is how God wants us to live. So, if you have a recurring migraine, keep looking unto Jesus. See Him taking that migraine upon His body on the Cross and say, "Lord, I thank You that by Your stripes I am healed." (Isaiah 53:5) As you keep looking unto Jesus, your healer, that migraine will have to bow to His finished work! If you have a financial lack in your life, just keep looking unto Jesus with confident expectation that He will provide for you and deliver you from your lack.

The problem with us is that we tend to look unto ourselves, but we cannot save or deliver ourselves. Even the apostle Paul struggled when he depended on his self-effort. That is why he said, "For the good that I will to do, I do not do; but the evil I will not to do, that I practice." (Romans 7:19) It was only when Paul looked away from himself and unto Jesus that he received his deliverance. (Romans 7:24-25) If you have been looking unto yourself, it is time to start looking unto Jesus. Look unto Him, the author and finisher of your faith, and you will soon receive your healing and provision!

Hebrews 12:2 "Looking unto Jesus the author and finisher of our faith; who for the joy that was set before Him endured the Cross, despising the shame, and is set down at the right hand of the throne of God."
