

The Israelites had been freed from slavery and were on their way to the Promised Land. They had various enemy nations surrounding them, and no military equipment or training. They were out in the heat of the desert without water and food sources, and felt overwhelmed, outnumbered, and inadequate. In the natural, they didn't stand a chance, but God spoke today's Scripture to them. They had seen God part the Red Sea and destroy Pharaoh and his army.

At times you may feel that the odds are against you, but God is saying to you what He said to them, "I'm going before you, and I am fighting for you." Whoever and whatever is trying to stop you is no match for our God. One touch of His favour and He will turn that Red Sea into dry ground. You are not going to have to struggle and fight. It may look intimidating, like it's never going to change, but don't be afraid or worry. God is for you, and will always do something extraordinary.

Deuteronomy 1:30 "...The LORD your God, who is going before you, will fight for you, as He did for you in Egypt, before your very eyes..."
