

The people of the world don't have spiritual discernment. They can only go by your physical appearance, behaviour and what happens to you. In other words, if they notice something different about you, it is because they see the evidence of God's glory on your life - in your family and work life, health and finances.

Your friends and colleagues may have told you that you stand out from the rest as though a spotlight were on you. Indeed, this is so because of Christ in you, the hope of glory. (Colossians 1:27) When God's glory rises upon you, your words carry weight, even if you are not eloquent. You may even be foul-mouthed like the disciple Peter, but when God changed him and His glory rose upon him, he stood up and preached, and 3 000 people got saved! (Acts 2:14-41) What is important is that God gives weight to what you say. You might be a nobody like Joseph, a slave cast aside and forgotten in a dungeon. Yet, the greatest king (and what is more, a Pagan king, Pharaoh!) on Earth at that time sought Joseph out to have him interpret his dreams. In other words, God will give you revelation and answers that the people of the world do not have. Maybe it is your hands. When you lay hands on the sick, they recover. Maybe it is your ability to give counsel that is spot on, or your ability to speak into people's future with a word of knowledge or word of wisdom from God.

"The Gentiles shall come to your light, and kings to the brightness of your rising." (Isaiah 60:3) When you see this happening, it is because the people of the world are drawn to the glory of the Lord which has risen upon you!

Isaiah 60:1 "Arise, shine; for your light has come! And the glory of the Lord is risen upon you."
