

The prophet Ezekiel saw a vision of a valley filled with bones. It was like a huge graveyard of bones from people who had died. Bones represent things in our life that look dead, situations that seem impossible and permanently unchanging. God said, "Prophesy to these dead bones.", and Ezekiel started speaking to the bones, telling them to come alive. As he was speaking, the bones started rattling and coming together, morphing back into people. Finally, breath came into those bodies, and they stood up like "a vast army".

You may have things in your life that seem dead - a relationship, a business, your health. All you can see is a valley of dry bones, so to speak. It's not enough to just pray about it; you need to speak to it. Prophesy to those dead bones. Call in health. Call in abundance. Call in restoration. God will resurrect what looks dead, and make things happen that you could never make happen yourself.

Ezekiel 37:4-5 "...Then He said to me, "Prophesy over these bones, and say to them, O dry bones, hear the word of the LORD. Thus says the Lord GOD to these bones: Behold I will cause breath to enter you, and you shall live..."
