

There was a crippled man who had been lying by the pool of Bethesda for 38 years. The people knew when it was the season for the angel to come. This man knew that was his window of opportunity to get well. One day Jesus came and said to him, "Do you want to get well?" The man was confused, because it wasn't the right season for the angel to come. However, Jesus said to the man, "Get up, pick up your bed, and walk.", and instantly the man was healed.

Don't be surprised when God shows up and you aren't expecting it. God likes to do things that we can't explain. We serve a supernatural God. He will amaze you when you don't see any way, and the odds are against you. Remember, God controls the Universe, and is not limited by seasons.

John 5:4 "...For an angel went down at a certain season into the pool, and troubled the water: whosoever then first after the troubling of the water stepped in was made whole of whatsoever disease he had..."
