

Do you remember the story of King Midas and his golden touch? He made a wish that everything he touched would turn into gold, and his wish came to pass. He touched his food, the trees in his garden and his palace, and they all turned into gold! Then, he hugged his daughter whom he loved very much, and she immediately turned into a gold statue!

God's way is far better, and it has no side effects. He wants to bless everything you touch. The Bible says, "The Lord will command the blessing on you...and in all to which you set your hand." This means that whatever you touch, whatever you set your hands to, God will command the blessing upon it, be it a person, thing or business. So if you touch your child, he / she is blessed. If you touch your guitar, anointed music flows forth. If you touch your business, it prospers. When you touch a sick person, he / she gets healed. When you touch someone who is facing lack, his / her needs are met.

In the Bible, everything that Jesus touched prospered. He touched the eyes of two blind men, and their eyes were opened. (Matthew 9:28-30) He touched the open coffin of a widow's son, and the young man sat up and began to speak. (Luke 7:12-15) He touched a leper, and the leprosy departed. (Mark 1:40-42) Under the old covenant laws, no one was supposed to touch a leper, as lepers were considered unclean. If you touched the unclean, you became unclean. However, Jesus touched the leper and the unclean became clean!

Everyone whom Jesus touched received a blessing, and because Jesus lives in you by His Spirit, what you touch will be blessed too. He paid the ultimate price for you to have this blessing. His loving hands, which imparted blessings to so many, were nailed to the Cross so that God can now command His blessing on all to which you set your hands!

Deuteronomy 28:8 "The Lord will command the blessing on you in your storehouses and in all to which you set your hand, and He will bless you in the land which the Lord your God is giving you."
