

Mephibosheth was the grandson of King Saul. His father was Jonathan, David's best friend. When Saul and Jonathan were killed in battle, and with the enemy coming to wipe out Saul's family, young Mephibosheth was crippled in an accident. He ended up living in exile for many years in a poor, run-down city named Lo Debar, barely surviving, with no family and no way out. However, one day King David remembered his friend Jonathan and discovered that Mephibosheth was alive. He sent soldiers to look for Mephibosheth, then brought him to the palace to live as royalty and restored his family's land.

Perhaps you feel stuck in your own 'Lo Debar'. The good news is, the King is looking for you. Jesus wants to restore all that belongs to you as His child - the freedom, the joy, the peace, the victory, the abundance. He wants to pay you back for all the unfair things that have happened in your life. There is a seat for you at the King's table. Hallelujah!

2 Samuel 9:7 "" ...Don't be afraid", David said to him, "for I will surely show you kindness for the sake of your father Jonathan. I will restore to you all the land that belonged to your grandfather Saul, and you will always eat at my table..."
