

When the children of Israel provided for themselves in Egypt, they ate cucumbers, melons, leeks, onions and garlic. (Numbers 11:5) These were types of food which required them to bend down close to the ground and pull out to eat - a backbreaking work. However, when God provided for them in Canaan, a land flowing with milk and honey (Numbers 13:27), He gave them grapes, pomegranates and figs. (Numbers 13:23) These fruits were not found on the ground, and the Israelites only had to pluck them to eat them.

God wants you to know that when He provides for you, you will see a flow of provisions coming your way, and all you need to do is to just stretch forth your hand and take from Him! Faith is the 'hand' that takes from God, and He is easy to receive from.

Exodus 3:8 "So I have come down to deliver them out of the hand of the Egyptians, and to bring them up from that land to a good and large land..."
