

God does not want you to worry about tomorrow. He wants you to know that He gives you all the help you need for today, and when tomorrow comes, so will fresh help from Him. This is God's principle, even in the Old Testament. When the children of Israel were in the desert, God gave them fresh manna from Heaven every morning. (Exodus 16:13-16, 31) They did not have to worry about tomorrow because when tomorrow came, there was fresh manna again. He was their provision every day.

Today, God's manna is the grace He gives you every day. If you are worried about a situation tomorrow, know that there will be sufficient grace for that situation when it comes. God wants you to simply rest in His ability to heal, deliver, protect and provide for you every day. In the Old Testament, when the armies of Moab and Ammon came against King Jehoshaphat, God told the anxious king, "Do not be afraid nor dismayed...for the battle is not yours, but Gods... You will not need to fight in this battle...stand still and see the salvation of the Lord...". (2 Chronicles 20:15-17) When the next morning came, King Jehoshaphat saw how God had caused such confusion to come upon his enemies' camp that it brought about their own slaughter. Amid all that fighting in the enemy camp, God's people merely stood still and saw Him fight the battle for them, just as He had promised.

So, when you see a problem looming in your tomorrow, don't be afraid or dismayed. Look to the Lord, and see His grace and salvation deliver you. God wants you to live a stress-free life, not one filled with worries about tomorrow's problems. When tomorrow comes, His grace will be there for you as your help, protection, favour and enabling!

Matthew 6:34 "Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble."
