

Remember that Jesus has already defeated Satan and given you the victory (Colossians 2:15, Romans 8:37), and your part is simply to enforce the victory by standing your ground, which is victory ground. In other words, you 'fight' *from* victory ground by standing - you aren't 'fighting' *for* victory.

In Ephesians 6:10-18, the passage on spiritual warfare, the word "wrestle" appears only once (verse 12), while the word "stand" appears four times - "*stand* against the wiles of Satan", "*withstand* in the evil day", "having done all, to *stand*", and "*Stand* therefore". (verses 11, 13-14) Four times the Holy Spirit tells us to stand. Yet, many Christians are focusing on wrestling their way to victory. You are already on victory ground. You already have everything in Christ. (1 Corinthians 3:21, 23) You are already blessed with every spiritual blessing in Christ. (Ephesians 1:3)

Satan knows this, and that is why his tactic is to deceive you and make you think that you don't have the victory. So when he attacks you by saying, "Look at that small amount in your bank account! How are you going to pay the bills?", stand your ground. Declare, "I am not trying to be rich. I am already superabundantly blessed in Christ!" It doesn't matter how much money you have in the bank. You are richly supplied because you are in Christ. As the need arises, the supply will be there if you believe it. It is the same with healing. Satan will try to attack you with symptoms in your body. He will try to put pain in your body, and make you feel weak here and there, so that you think that you are still sick. He is trying to make you believe that you don't have your healing. That is the time to be conscious of Jesus' finished work and declare, "I am not trying to get healed, I am healed! I am standing on the victory ground which Jesus has given me!" It makes a world of difference when you fight *from* victory and not *for* victory!

Ephesians 6:11 "Put on the whole armour of God, that you may be able to stand against the wiles of Satan."
