

Too often we pursue titles and positions, thinking we'll feel good about ourselves when we have them. However, you don't need a title to do what God has called you to do. Don't wait for people to approve you, affirm you, or validate you. Use your gift, and the title / position will come.

If David had waited for a title, we wouldn't be talking about him today. When he went out to face Goliath, David wasn't a general, a corporal, or a sergeant. He wasn't even enlisted. He didn't have a title, a name badge, a uniform, or a single credential. He went out knowing God had called and given him the gift to defeat Goliath. Then, after a few years they gave him a title: King of Israel!

1 Peter 4:10 "...Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms..."
