

Life will try to make you feel as though you are anything but amazing. Disappointments, betrayals, and rejection will try to steal your sense of value. You may feel ordinary, but because of your Maker, there is something about you that makes you extremely valuable. You are unique - an original. You can't get any more prestigious than that. If you are going to recognize your value, you have to see yourself as exceptional, amazing, and wonderful. It's not because of who you are, but because of Who made you. You have the fingerprints of God all over you.

Throughout each day, you need to remind yourself, "I am amazing. I am a masterpiece. I have been wonderfully made." Don't discount what God has created. Don't go around feeling ordinary, when in fact, you are extraordinary. People may try to make you feel average or less than. Are you going to believe what people say about you, or believe what God says about you and move up to the next level?

Psalm 139:14 "...I praise You because I am fearfully and wonderfully made; Your works are wonderful, I know that full well..."
