

In the past you have in all likelihood wondered to yourself: "I am a Christian, so why am I sick? Why do I have financial problems?" etc. Jesus knows exactly how you feel because over 2 000 years ago, Satan played the same trick on Him - "*If You are the Son of God...*" (Matthew 4:3) You see, Satan's intention was to make Jesus doubt His Sonship, and he wants to do the same thing to you today. Satan wants to destroy the Spirit of sonship in you and in the body of believers. He knows that once you truly realize and believe that you are a son / daughter of God, something powerful happens - you begin to live life as "an heir of God through Christ." As a son / daughter and an heir of God, you inherit all the blessings of God which Jesus died to give you, including salvation, healing, provision, wholeness, favour, intimacy with God and answered prayers. Jesus rose from the dead to make sure that what He died to give you, you receive. He is alive today to enforce this rich, blood-bought inheritance in your life!

So, always remember that you are an heir of God through Christ. This means that you are joint heirs with Jesus (Romans 8:17), so His inheritance is your inheritance too! What is provision when you are an heir of God? He owns every beast in the forest, and the cattle on a thousand hills. (Psalm 50:10) All the diamonds and gold came from Him, and belong to Him. What is healing when you are an heir of God? He is your Creator, and the very breath of your life. Enjoy every bit of your inheritance in Christ, not because you deserve it, but because it was paid for by Jesus' blood!

Galatians 4:6-7 "And because you are sons, God has sent forth the Spirit of His Son into your hearts, crying out, "Abba, Father!" Therefore you are no longer a slave but a son, and if a son, then an heir of God through Christ."
