

After Jonah's first refusal to go and preach to the city of Nineveh, God in His mercy used a whale to rescue Jonah from certain death. God doesn't want to just rescue you from your mistakes, He wants to give you another chance to get to where you are supposed to be. That mistake doesn't disqualify you. God is always going to give you another chance, and another, to fulfill His best plan for your life.

The second time God told Jonah to go to the city of Nineveh, he obeyed, and saw God do amazing things. The point is, Jonah's mistake did not stop his destiny. It's not too late to become everything you were created to be. If you will start right where you are, honouring God, being your best, serving others etc., the right doors will open, and the right people will show up. The good news is, you are covered by mercy.

Jonah 3:1-2 "Then the word of the LORD came to Jonah a second time: "Go to the great city of Nineveh and proclaim to it the message I give you.'"
