

Sometimes we don't see how we can accomplish our hopes and dreams. We don't have the connections, the resources, the experience etc. It might not look as though it's going to happen, but what you don't realize is that you don't need a hundred things to go right - just one touch of God's favour, and doors will open that you couldn't ever open yourself. Just one good break, one right person, one phone call, one healing, one contract, and what seemed impossible will suddenly become possible.

Today's Scripture says your Heavenly Father will work out His plans for your life. You don't have to work it out. You don't have to struggle and worry and try to fix every problem, straighten out every enemy, and make things happen in your own strength. You can live from a place of peace, knowing that God has lined up the breaks you need. Get up every morning with the expectancy that He is going to surprise you, and exceed your expectations.

Psalm 138:8 "The LORD will work out His plans for my life - for Your faithful love, O LORD, endures forever."
