

In the Scripture, Daniel prayed and asked God for something, but nothing happened. Day after day went by, with no sign of it. Then, three weeks later, an angel showed up with the answer and said, "From the moment you prayed, God sent me with the answer, but there were forces in my way that stopped me." God had to send another angel to fight through the forces of darkness.

There are blessings that have your name on them: a job, promotion, a business, a house, healing, a spouse, a baby, restoration etc., that you have been praying and believing for. There are evil forces trying to hold back what you have been praying for, but God is about to release what has been held up. Stay encouraged and expectant; it's on the way. Know that God is breaking the way wide open through those evil forces that are holding it back. You are going to see what God promised. What has your name on it is on the way, and all the forces of darkness cannot stop it!

Daniel 10:12-13 ""Don't be afraid, Daniel. Since the first day you began to pray for understanding and to humble yourself before your God, your request has been heard in Heaven. I have come in answer to your prayer. But for twenty-one days the spirit prince of the kingdom of Persia blocked my way.""
