

When you look in a mirror, what do you see? Of course, you see yourself, but God does not want you to see yourself in the natural. You may be sick, weak, poor and depressed, yet God wants you to see yourself the way He sees you - healed, strong, favoured and whole, because Christ is in you. (Colossians 1:27)

God wants you to behold as in a mirror the glory of His Son who is in you by His Spirit. As you do this, His Word says that you are being transformed from glory to glory - sick to healed, loser to winner! Unbelievers will try and convince you otherwise, saying "It can't be that easy. You can't be transformed just by beholding the glory of Jesus. No, you must do something about yourself. If you don't put in the effort, nothing will happen. If you don't start making changes, nothing will change." But people of the world will never understand that as you are beholding the glory of the Lord, who is the successful one in you, you are being transformed from a failure to a success. This is not accomplished by any effort of yours to get ahead in life, but by the Spirit of the Lord! (Zechariah 4:6) As you behold the glory of the Lord who is the healthy one in your sick body, you are transformed from sickness to health. This is not accomplished by any effort of yours to keep fit and eat well, but by the Spirit of the Lord!

What can be easier than beholding the beauty of the Son? So stop focusing on yourself and your efforts. Look away from these things, and begin to behold the glory of Jesus who is in you right now, and you will begin to behold the breakthroughs and even miracles that you need!

2 Corinthians 3:18 "But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as by the Spirit of the Lord."
