

Psalm 90 is a prayer of Moses. Perhaps you can identify with his request in today's Scripture. He was saying, "God, I'm having a difficult time. I've had some bad breaks, but I'm asking for Your restored blessing." When you face challenges, do as Moses did and pray, "God, strengthen me again, heal me again, and show me Your favour again."

Your situation may not currently look good. You may be facing something in your business, in a relationship, or have a health issue that you don't think will ever be overcome. Remember, God didn't bring you this far to abandon you. He can turn things around in an instant, bring a breakthrough, restore your health and happiness, and cause your business to take off. Rise up in faith and say, "God, I'm never going to give up. I'm believing to see glorious things, my hopes and dreams manifest, problems resolved, and even miracles. I know that You always finish what You start."

Psalm 90:15-16 "Give us gladness in proportion to our former misery! Replace the evil years with good. Let us see Your miracles again; let our children see glorious things..."
