

In today's Scripture, the word "carried" means "to shoot out, to launch forward." It implies acceleration. As God carries you through life, it's not always going to be routine, predictable, little by little. There are times when God is going to shoot you out and propel you years down the road. He'll give you a break that you don't deserve. He will cause you to meet the right person. He will turn a problem around when you didn't see a way.

Your pre-ordained destiny in Christ is bigger than you have dreamed. You may feel as though you will never get to where you are supposed to be, but when God shoots you out, you are going to make up for lost time. No person, no bad break, no unfair situation, and no organization can stop you. The doors that are going to open, the people you are going to meet, and the opportunities that are coming your way are going to be bigger, better and more rewarding than you ever thought possible!

Ezekiel 37:1 "The LORD took hold of me, and I was carried away by the Spirit of the LORD."
