

Moses' sister and brother, Miriam and Aaron, began to talk against Moses because he married a woman from a different nationality. They were trying to make him look bad, and questioning his leadership. Notice that when people are talking about you, God hears it. He is your defender, vindicator and restorer. In today's Scripture verse it goes on to say that this angered the Lord, and He dealt with them because they had spoken against the reputation of one of His own.

God takes it very seriously when someone tries to insult you, undermine you, discredit you, belittle you, or make you look bad. You don't need to get upset. God is listening. He knows how to change their mind. Sometimes He will cause them to be quiet, or He will let them keep talking and just keep promoting you. The more they talk, the higher you will go. They think they are hurting you, but in fact they are doing you a favour, because God is paying you back by taking you to new levels.

Numbers 12:1-2 "Miriam and Aaron talked against Moses behind his back because of his Cushite wife...They said, "Is it only through Moses that God speaks? Doesn't he also speak through us?""
