

As a believer, you have a right to expect restoration of the things that Satan has stolen from you. It may be your health, marriage or finances, but payback time is definitely coming! Acts 3:20-21 tells us that before the Rapture, when Jesus comes back for His church, we will experience “the times of restoration of all things.” What a hope and confidence that gives us, knowing that God will restore to us all things before Jesus returns!

So, if Satan is attacking you in any area, tell God, “Father, I will not allow Satan to rob me of my health, marriage, children or finances. These blessings are blood-bought and paid for by Jesus!”. Claim your restoration in Christ, and Heaven will hear you. There will be such times of restoration of all things to the body of Christ that His people will only get better, stronger, healthier, and more successful and glorious! When God restores, even under the old covenant, His people always received much more than what they had originally lost, in terms of quality and / or quantity. How much more will our restoration be under the new covenant because of the shed blood of the Lamb of God!

Acts 3:20-21 “...that He may send Jesus Christ, who was preached to you before, whom Heaven must receive until the times of restoration of all things...”
