

An army had surrounded the city of Samaria, cut off the Israelites' food supply, and clogged up their waterways so that they couldn't get any water. The people were starving and beyond desperate. When Elisha spoke today's Scripture verse, the people thought he had lost his mind. One leader said, "That couldn't happen even if the Lord opened the windows of Heaven." Yet if you continue reading the story, it did happen just as Elisha said, miraculously, and there was a sudden abundance of food.

For some of the things that seem impossible they could turn around or happen, you are going to be amazed. You are looking in the natural, but we serve a supernatural God. Get in agreement with God. Believe that things are going to fall into place - opportunity is going to come to you, people will go out of their way to be good to you. You couldn't have made it happen. It is the hand of God.
