

Sometimes religion can make you feel like it's wrong to be blessed and have resources, but David says, "God takes pleasure in the prosperity of His servant." It brings a smile to God's face to make things happen that amaze you, and to increase you in ways that you have never imagined. It gives our Heavenly Father pleasure to see you blessed. You may not see how it can happen, but that's not your role. Your role is to believe; to have faith.

You were created to live an abundant life. Today's Scripture says that God will supply all our needs according to His riches. It doesn't say according to your talent or your education, or if your employer likes you, or if the economy is good, or if you have the right friends. It's not according to what you have; it's according to what He has. The good news is, God owns it all. Everything in the Universe belongs to God. If He doesn't have what you need, He can create it.

Philippians 4:19 "And my God will supply every need of yours according to His riches in glory in Christ Jesus."
