

In Mark 4, Jesus said to His disciples, "Let's go to the other side of the lake", but along the way they were caught in a furious night storm. The winds were so strong that the disciples thought the boat was going to capsize, so they woke Jesus up. He rebuked the storm, and everything calmed down.

When we are in a 'storm', we often get upset and panic as the disciples did. "God, please help! My finances aren't making it. My relationship is falling apart etc." Stop being upset and losing sleep over the challenges in your life. God knew there would be a storm before He told the disciples to go over the lake. All the forces of darkness cannot stop Him from getting you to where you need to be. God never ignores your prayers. You don't have to wake Him up. He is teaching you to have faith in the middle of the 'storm'.

Mark 4:40 "Then He asked them, "Why are you afraid? Do you still have no faith?""
