

Peter was an experienced fisherman, and had spent all night fishing and caught nothing. Then Jesus told him to put out into the deep and drop the nets. It seemed illogical because in the daylight, the fish would go deeper than the nets. Peter did not deny the facts, but he said in effect, "It doesn't make sense; nevertheless, at Your word I'm going to do it", and he caught so many fish the nets began to break.

Practical people would have missed this miracle. People who only look at things logically, reasonably, and statistically would have talked themselves out of it. God is looking for nevertheless people. When you don't see how you can ever accomplish your goals and dreams, get your health back, or see your finances restored, say, "God, the odds are against me. It looks impossible. I have tried and it didn't work out; nevertheless, I still believe. Nevertheless, I'm going to try again. Nevertheless, I'm going to keep praying, hoping, and expecting."

Luke 5:5 "But Simon answered and said to Him, "Master, we have toiled all night and caught nothing; nevertheless at Your word I will let down the net.""
