

The Israelites were up against several nations that were much bigger, stronger, and trained for war. They didn't stand a chance on their own. So did God send in an army of angels to get rid of these powerful armies? No, He sent hornets ahead of the Israelites so they didn't even have to fight. So, when you don't see how your situation can possibly work out, don't stress, worry or be afraid. God has plenty of hornets. He has ways you have never even thought of. Stop trying to figure it out yourself, and trust Him. God is in control of your life. He knows how to get you to where you are supposed to be. Let go, and let God.

God is even going ahead of you. Put down your sword and shield. He is going to give you land that you didn't even work for. You are not going to have to struggle, manipulate people, or try to force it to happen. He is going to drive out the inhabitants that are on your land.

Joshua 24:12-13 "I sent the hornet ahead of you, which drove them out before you - also the two Amorite kings. You did not do it with your own sword and bow. So I gave you a land on which you did not toil and cities you did not build; and you live in them and eat from vineyards and olive groves that you did not plant."
