

The apostle Paul talked about the great love wherewith God loved us and brought us salvation. It wasn't a get-by or don't-bother-me love. God loves you deeply. What He has in store is going to boggle your mind. His Kingdom is rich in grace and mercy, filled with joy, favour, and blessings. He has things in store for you in your future that you have never even dreamed of. The question is, are you expecting it?

Remember, God is not limited by what you don't have, by how you were raised, by your education etc. His favour on your life will open doors you couldn't open, and cause you to accomplish more with less gifting or talent. His blessing will bring divine connections - people who will use their influence to push you forward. So get in agreement with God. Declare: "Father, thank You that You are giving me Your Kingdom, opening the right doors, and taking me where I could not possibly go on my own."

Ephesians 2:4-5 "But because of His great love for us, God, who is rich in mercy, made us alive with Christ even when we were dead in transgressions - it is by grace you have been saved."
