

Unbelievers / people of the world feel helpless and negative as the systems of the world go up and down. They turn on the television and hear: "This war will plunge the world into a recession." They open the newspapers and read: "Unemployment is at an all-time high." God wants you to remember that you are not of the world. (John 17:16) You are of God, and therefore need not be subject to the world's systems. Whatever the world's situation is, stress, worry and fear not, because "God shall supply all your need according to His riches in glory by Christ Jesus."

Notice that Philippians 4:19 says that "God *shall* supply *all* your need." It does not say that God *may* supply *some* of your needs. It also says that God will do it "*according to* His riches." It is not *out of* His riches. If a multi-millionaire gives you a thousand Rand, it is out of his riches. But if he gives to you according to his riches, it means that he is lining up his millions for you! Lastly, the verse says that God does it "*according to His riches in glory.*" It is not according to the riches of your company, or how well the economy is doing. No, it is according to God's riches in glory!

So how do you stop yourself from feeling helpless and negative in uncertain times? Don't look at your circumstances, or the bad things that are happening in the world. Instead, look at the unshakable, eternal Word of God. Your soul and spirit will become stable, and you will see your God supply all your needs according to His riches in glory by Christ Jesus!

Philippians 4:19 "And my God shall supply all your need according to His riches in glory by Christ Jesus."
