

God told Abraham to leave his relatives, whom he loved, and move to another land. For a season, everything had been fine, but when God was about to do something new and big for Abraham, He knew that the people and things around him would try to keep him from what He had put in Abraham's soul and spirit. Sometimes you need to leave certain people and things behind, so you can become all you were created to be.

Is there someone or something you need to leave behind - a toxic relationship, a hurt, a bad attitude, or an area that you are compromising in? Don't bring that into the new year. Those things were in 2020, but they don't belong in 2021. You should not go through life holding on to hurts, injustices, wrong attitudes, and people who are not good for you. Life is too short for that. Say goodbye to failure; this is a new day. Say goodbye to guilt; you are forgiven. Say goodbye to what didn't work out; God has something better planned for you. It's going to be a bountiful, abundant, flourishing year!

Genesis 12:1-2 "The Lord had said to Abram, "Go from your country, your people and your father's household to the land I will show you. I will make you into a great nation, and I will bless you; I will make your name great, and you will be a blessing.""
