

You may have a situation that you have been praying about for a long time. Perhaps it's to see your family restored, to lose weight, to get out of debt, to start your own business, or to save your business. But it doesn't look like it's ever going to change, and you get discouraged and think: "It's never going to happen. I just have to accept it."

No, just because it hasn't happened yet doesn't mean it's not going to happen. You need to stir up your faith. God is called Jehovahjireh, the Lord our Provider. One touch of His favour can turn it around instantly. Keep praying, keep believing, keep expecting, and keep honouring God. When you believe, it allows the Creator of the Universe to go to work.

Genesis 22:14 "And Abraham called the name of that place Jehovahjireh: as it is said to this day, "On the mountain of the LORD it will be provided.'"
