

In the book of Daniel, when three Hebrew teenagers wouldn't bow to the king's golden idol, they were thrown into a fiery furnace. For them to just survive would have been a great miracle, but notice how today's Scripture describes how God works. When He restores, there is no sign of the 'fire' you have been through - the health problem, the injustice, the bad break, the disappointment, the loss etc. - not even the smell of smoke on you.

Isaiah 43:2 says: "When you walk through the fire, you will not be burned. The flames will not harm you." We all go through the fire - challenges and afflictions - things that are unfair, things we don't understand. In the fire, you need to remind yourself: "These people are not going to harm me. This challenge is not going to keep me from my dreams. This sickness is not going to stop my purpose." You are going to emerge without the smell of smoke on you. Things are changing in your favour right now - healing, vindication, promotion, and breakthroughs are on the way!

Daniel 3:27 "...They saw that the fire had not harmed their bodies, nor was a hair of their heads singed; their robes were not scorched, and there was no smell of fire on them."
