

Many believers make the mistake of thinking that God is too busy taking care of the 'big things' to be interested in the little problems they are facing. Are you one of them? No matter how trivial it is, if it troubles you, then God wants to take care of it. He wants to take care of every area of your life, even the smallest detail. He loves you so much that He knows the number of hairs you have on your head. If your loving Heavenly Father knows and is interested in the small details of your life, then you don't have to overcome any problem on your own.

Know that He cares for you in the same way as He lays out His plans for you. He carefully considers and makes plans for every aspect of your life, both big and small. So pray about *all* things. The very thought of you puts a smile on His face, because He knows that the plans He has for you are plans to bless you. (Jeremiah 29:11) So no matter what problems and challenges you face, you can always rest in His love for you. There is no problem that is too insignificant for Him to resolve. He is not just God Almighty, He is also your Heavenly Father who loves you!

Luke 12:6-7 "Are not five sparrows sold for two copper coins? Not one of them is forgotten before God. But the very hairs of your head are all numbered. Do not fear therefore; you are of more value than many sparrows."
