

When you believe that God wants to show out in your life, you have the boldness to ask Him to display His awesome power through you. It's good to read about His power, to talk about it, and to remember it, but God wants you to experience it. God says He is about to display awesome power through you. "Awesome" means it's not going to be ordinary or natural, but supernatural. He is going to do something unprecedented, something that makes you stand out, something where there is no explanation for it but God's power.

God will make you an example of His goodness to show those around you that He is God. People are going to see His favour - the healing, the protection, the promotion, the abundance. Not only are you going to be amazed, but they are going to be amazed. God is not going to do it in secret. He is going to make a public display of His power through you.

Exodus 34:10 "Then the LORD said: "I am making a covenant with you. Before all your people I will do wonders never before done in any nation in all the world. The people you live among will see how awesome is the work that I, the LORD, will do for you.""
