

God does not want your soul and spirit full of stress, worries and fears, tossed and turned by every challenge that comes your way. He wants them at rest and established by His grace toward you. But when you think that the breakthroughs to your challenges depend on your ability to obey God, then you will not be at rest, because you can never obey God perfectly. However, when you depend on God's grace, that is, His undeserved, unmerited favour, the opposite happens - your soul and spirit become established. When you know that the only thing that qualifies you to receive God's blessings is faith in the finished work of Christ, your soul and spirit become established. Then, you will walk without the fear of your troubles swallowing you up. You will walk with full assurance that His blessings will be manifested in your life.

God wants your soul and spirit established, knowing that His righteousness, healing, protection and provision are yours - all paid for by Jesus' finished work at the Cross. God's blessings are sure in your life because they are not dependent on your ability to keep His laws, but rather on Jesus' perfect obedience. You see, under the old covenant, you receive God's blessings only if you keep all His laws. (Deuteronomy 28:1-2) If you sin and fail to keep even one law, you will be disqualified from receiving His blessings. But today, under the new covenant, your sins no longer disqualify you because God Himself has said: "For I will be merciful to their unrighteousness, and their sins and their lawless deeds I will remember no more." (Hebrews 8:12)

So let your soul and spirit be established by God's grace. Because of His grace, you have full access to His blessings. You no longer have to worry about whether you are good enough. You can stand firm on the promises made in His Word, and enjoy His blessings today, because Jesus has paid the price. Your part is only to believe and receive!

Hebrews 13:9 "...it is good that the heart be established by grace..."
