

Sometimes we act as though God has a limited supply of favour, but He has unlimited resources. Everything in the Universe belongs to God! When God laid out the plan for your life, He put in it everything you need to fulfill your pre-ordained destiny in Christ. He has already lined up the right people, the right breaks, favour, and increase. If you keep honouring God, you will come into a stored-up blessing at the right time. You won't have to go after it; it will find you. What God has pre-destined for you cannot go to anyone else.

When you understand this, it takes the pressure off. You don't live stressed, worried and frustrated, wondering if and when a dream is going to come to pass, anxious that a problem is not going to work out etc. You stay in peace knowing that what has your name on it isn't going to go to anyone else. You know your time is coming. You know that God will always get you to where you are supposed to be.

Psalm 31:19 "How abundant are the good things that You have stored up for those who fear You, that You bestow in the sight of all, on those who take refuge in You."
