

As a believer you are sanctified, set apart, one of God's special people. You are not ordinary; you are not like everyone else. The favour God puts on your life causes you to be different. It makes a distinction between you and those who don't believe in God and honour God. In Numbers 6 it says that God's face will shine on you and cause you to stand out.

This distinctive favour causes you to prosper when others are struggling. You recover from a difficulty when others get stuck. You have an advantage. You are not doing life by yourself, just in your own strength, using your talents, and your connections. The most powerful force in the Universe is behind you, guiding you, protecting you, and favouring you. The Most High God has set you apart, called you out, and said: "He / she is one of Mine." So don't go through life thinking that you are average, and that you can never accomplish your dreams. Put your shoulders back, and hold your head high. Right now, God's face is shining on you.

1 Peter 2:9 "But you *are* a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvellous light."
