

Just as we have physical ears, we have spiritual ears. God speaks to us in our spirit. Often, He will speak things that contradict what we see with our eyes. You are struggling in your finances, but you hear that voice saying: "You are blessed. You have more than enough." It doesn't look like you will ever get well, but you hear that voice saying: "You are healthy. You are whole." It is just the opposite of what it looks like, but God calls you what you are before it happens. Abraham didn't have any children when God called him "a father of many nations". Gideon was afraid and felt unqualified to lead the Israelites, yet God called him "a mighty hero".

So stop being discouraged by what you see, which is temporary, and start being encouraged by what you hear - what God speaks to us is permanent. If you listen down in your spirit, you will hear that voice saying: "New levels are coming with new opportunities and new relationships, and favour is in your future."

2 Corinthians 4:18 "For the things which are seen are temporary, but the things which are not seen are eternal."
