

What God has planned for your future you cannot accomplish on your own. There are places He is going to take you that you can't get to by yourself. There will be obstacles that look too big, hopes and dreams that seem impossible. If it were only up to you, you would get stuck. The good news is that God has bestowed on you something that gives you an advantage, that opens doors that you cannot open, that makes you stand out in the crowd. It is called "favour" - God's grace. Favour will cause good breaks to come to you that you don't earn or deserve. For example, you aren't next in line, but you will get the promotion. That's the favour of God. You have been faithful, obeying and honouring God. Get ready for favour. Get ready for explosive blessings.

Psalm 84:11 "For the LORD God is a sun and shield; the LORD bestows favour and honour; no good thing does He withhold from those whose walk is blameless."
