

God is not only strategically directing your steps each and every day, He is also orchestrating everything around you. He has already lined up people who will help lead you to your blessings, lead you to your promotion, and lead you to your next level. They will go out of their way to show you favour. You don't need to try to manipulate people, force doors to open, or convince someone to be good to you. God has already prepared the souls and spirits of the people He has ordained to help you, and has the blessings waiting for you.

Isaiah was saying: "Who can stop what God has already set up?" So stop worrying about who doesn't like you, how big your obstacles are, or why you can't accomplish your hopes and dreams. It's already set up; you *are* right on schedule. Neither Satan, any person, or any adversity, can stop what God has ordained. If you keep honouring and trusting God, being your best, then what God has set up *will* find you. You don't need to go after it; it will come after you.

Isaiah 14:27 "For the LORD Almighty has purposed, and who can thwart Him? His hand is stretched out, and who can turn it back?"
