

Are you missing out on the joys of life because you are too busy? God called you to be fruitful; He never called you to be busy. Don't get activity confused with productivity. Just because you are always on the go and doing things doesn't necessarily mean that you're fulfilling God's best plan for your life.

All work and no play is not healthy. Ask the Lord to show you which areas need to be cut back and which areas need more focus. Ask Him to show you which relationships to let go of, and which relationships to develop in your life. Stop allowing the unproductive areas of your life to consume all of your time, focus, and energy. As you make adjustments to bring balance to your schedule, you will have room for the activities and relationships that bring you joy, peace, hope and fulfillment.

Genesis 1:28 "Then God blessed them and said, "Be fruitful and multiply. Fill the Earth and govern it..."
