

Daily covering prayer

Dear Heavenly Father,

I pray this prayer in the power of the Holy Spirit. I thank You for all You have done in my life, and all that I know You are going to do.

I confess that I am healed and whole - physically, mentally, emotionally and spiritually. As Your child, I stand on Your word so that no weapon formed against me will prosper, according to Isaiah 54:17, and put on the whole armour of God according to Ephesians 6:10-18.

I have a blood covenant with You, Father, and because of that covenant, I have authority over all unGodliness that may come against my family or myself. I bind and bring to no effect any and all curses that have been spoken against me or my family. I bind and render useless all spoken negative words directed at me or my family, whether they be witchcraft, psychic or soul force.

I bind and bring to no effect all demonic attacks against my family and myself, our minds, our bodies, our homes, our transport, our finances and every area of our lives. I use my authority in Jesus' name to bind any fear spirits, hindering spirits, and deceiving spirits, including complacency, criticism, gossip, slander, jealousy, pride, envy, strife, hate and anger that may try to come against me or my family.

Lord I ask that You fill me afresh today with the Holy Spirit, to lead and guide me, giving me wisdom and discernment over all I think, say and do. As I walk in Your love, please let me be prosperous in all I set my hand to.

I pray for opportunities to share the gospel and plant seeds. I pray for the wisdom to walk in Your perfect, sovereign will and timing, and to make the right choices. I call forth divine appointments and open doors of opportunity to share my testimony, and I give You all the glory, honour and praise always!

I cover my family and myself with the protective power of the blood of Jesus, and ask the protection of Your holy angels to surround us in every area of our lives.

I ask this prayer in the power and the precious name of Jesus, my Lord and Saviour.

Amen.
